Better conditions

You have access to paid maternity leave, permanent part-time work, improved school psychologist to student ratios and a union constantly campaigning to improve the conditions in your workplace.

Information, advice and support

Whenever you have questions about topics like salary, leave, entitlements, probation, contracts, transfer, workload and work safety you have a network of support at your school and full-time paid officers to assist you.

A voice for educators

Your representatives are constantly meeting with public servants and politicians to make sure they understand what it's like in the school. You also have a voice in the media making sure the community understands the challenges we face and the great work we do.

A voice for public education

You have a champion for public education in the community, promoting our schools and winning extra resources for them.

Training

You can access training on maternity leave, managing finances and superannuation, applying for jobs, preparing for leadership and other aspects of your professional life.

The employer does not provide journey cover. As an AEU member you're covered. If you are injured travelling to or from work or professional learning events, you are eligible for income protection under our policy.

Union Shopper

With the collective buying power of union members across Australia, you get great deals on electrical products, travel services, cars, computers, phones and more.

Teachers' Health Fund

You are eligible to join Teachers Health Fund, the national, not-for-profit health fund designed exclusively for education union members and their families.

You have a say

You're part of a democratic organisation in which you have a say. You choose who you feel best represents your interests in your workplace or you can become a representative yourself.

You're part of our community

You are part of a community of 3,500 educators in the ACT and nearly 200,000 educators across Australia. Meet people, share ideas and collaborate.

You know we've got your back

If you ever run into trouble, whether you're not being treated fairly at work or you find yourself in financial hardship, we stick by each other.

It's easy and affordable

You only pay .85% of your salary (+GST). That's only \$26 a fortnight for a beginning psychologist. In addition, your union fees are tax deductible!
