

School psychologist salary increase explainer: How will my pay increase through 2024 and 2025?

Our last Enterprise Bargaining campaign won a series of pay rises to commence through 2023-2025 for school psychologists. The table below shows your salary from the beginning of 2024 to the end of the current agreement in December 2025.

Incremental advancement applies if you've met eligibility criteria: having commenced work before the end of term 1 in the previous year and having taken no more than two terms of leave without pay in the previous year. Incremental advancement occurs on January 27 every year.
